Improve Accuracy

CreditXpert Detective™ can help by identifying wrong information in credit files which artificially lowers your applicants' credit scores.

UNMASK TRUE SCORES

CreditXpert Detective is advanced analysis software that automatically identifies opportunities to improve credit scores by updating incorrect, missing and outdated information and displays the potential score improvement results.

All actions identified require no cash outlay from your applicants.

TAKE THE BEST STEPS

The easiest way to help your applicants is to address inaccuracies in their credit report. Using CreditXpert Detective you will be able to:

- Scrutinize the information within a single credit report
- Compare the information to any available credit reports from the other bureaus
- Provide detailed information about how to initiate a dispute with credit bureaus

With CreditXpert Detective, no stone is left unturned.

CLOSE 30% MORE LOANS

Minimize erroneous information and maximize your applicants' credit opportunities. It's simple with CreditXpert Detective. The results are more applicants approved, better terms offered and more loans closed.
